# PERI PLUS

Hego

Available in 6 colours from fondant pastels to dramatic blue, PERI PLUS is Hego's most luxurious plain carpet.

With HEGO PERI PLUS, we've made it easy for anyone creating an interiors scheme to match or clash their carpet with other fabrics, furniture or accessories in the room. You can choose from a palette of 6 colours, from modern pastels to dark and dramatic shades. Why not create a subtle look, neutral look with a beige carpet?

It's the perfect foil for stronger elements

elsewhere, such as these jewel-bright curtains. For a timeless, masculine feel, look to the grey scale - a moody-hued carpet and walls are the ideal backdrop for rich materials such as wood.
